in Positive Psychotherapy**

**First Announcement (1<sup>st</sup> March 2007)**

Dear Colleagues, dear Guests!

We are happy to invite you for the 4<sup>th</sup> World Congress for Positive and Transcultural Psychotherapy. The congress will take place between 15<sup>th</sup> and 20<sup>th</sup> of October on the wonderful island of Cyprus. The world congress offers the opportunity to physicians, psychotherapists and all those who work in the social field to discuss with colleagues from more than 20 countries about application and development of Positive Psychotherapy. We expect participants from all generations, from different cultural backgrounds and different psychotherapeutic schools.

The scientific program will feature an interesting blend with national and international speakers, plenary sessions, seminars, work groups and lectures.

We invite all of you to support this event and to actively participate in this scientific congress in North Cyprus.

The congress has the title „Live, Life and Balance as Challenges of Positive Psychotherapy“ – all areas of life and topics of high relevance.

We are happy to welcome you on the beautiful island of Cyprus.

## ***Greetings & Invitation***

Dear Colleagues,

On behalf of the local organizing committee, I am very pleased to extend you a warm invitation to participate in the IVth World Congress of Positive Psychotherapy. At the congress we will have chance to attend seminars and practical workshops on different aspects of positive psychotherapy and share our experiences.

The congress will be held in Famagusta, Cyprus. This congress may contribute with its implications on positive conflict resolution to this beautiful island, surrounded by political conflicts. With its warm climate and hospitality of its people, you will have chance to enjoy a good social and cultural program. We look forward to welcoming you in Cyprus.

*Assoc. Prof. Ebru Cakici, Local Organizing Committee*
